the President*

July 23, 2017

Dear Friends and Colleagues,

On behalf of the International Association of Coroners and Medical Examiners (IAC&ME), Welcome to the 2017 IAC&ME Training Symposium. This year, the IAC&ME will host a combined Basic and Advanced Medicolegal Death Investigation course in addition to our general conference program. We believe that this year's program will again provide another excellent opportunity to learn from some of the best speakers in their respective fields of expertise. We hope you enjoy your time here in Las Vegas and take an opportunity to attend one of our planned social activities during the week long training event. Please use every opportunity to network with other attendees and thank the exhibitors for their support.

As I complete my final year as president of the IAC&ME, I am pleased to report that our association continues to grow in both membership and national presence. IAC&ME is now 1000 members strong, many of which hold positions on federal, state and local working groups involved in shaping the future of medicolegal death investigation in the United States.

In closing, I would like to thank each of you for attending our conference and bringing your expertise to this gathering of subject matter experts from across the nation. I urge each of you to remain engaged in improving the field of Medicolegal Death Investigation.

Finally, if you are not currently a member of the IAC&ME, please accept my personal invitation to do so before you leave the conference. It has been an honor to serve the membership of the IAC&ME.

Frank DePaolo, PA, D-ABMDI
President

A D V A N C E D - A G E N D A

Advanced Medicolegal General Symposium Session
and registration will be held in the Grand Ballroom,
1st Floor near the Rush Tower.

TUESDAY, JULY 25

- 8:00 - 9:00am "It's a Grab Bag - Case Studies in Forensic Toxicology"

EXHIBIT HALL WALK ABOUT

Meet with the Exhibitors for a chance to win one (1) complimentary 2018 IAC&ME Annual Training Symposium Registration.

Includes IAC&ME registration fees to the symposium only. Does not include transportation, lodging nor per diem. Registrations are non-transferable to other persons or subsequent events. Two (2) attendees will win. One (1) award per person. Must be present to win. Drawings will be held throughout the week in the exhibit hall during breaks.

Here's how it works:

- (1) Introduce yourself to each Exhibitor in the Exhibit Hall.
- (2) Have the Exhibitor sign your card.
- (3) Submit your card with 15 or more signatures to the registration desk by Tuesday 5:30 pm.
- (4) Done! Please be sure to thank all Exhibitors for attending this year's Annual Symposium.

Exhibitors will be onsite Sunday, Monday and Tuesday.
