

2017 IAC & ME

INTERNATIONAL ASSOCIATION OF CORONERS & MEDICAL EXAMINERS

Present the

2017 Annual Training Symposium

Hosted by

The Clark County Office of the Coroner/Medical Examiner (CCOCME)

JULY 23-28, 2017 • LAS VEGAS, NV

Golden Nugget Hotel

Attendee Registration

THE ASSOCIATION

The International Association of Coroners & Medical Examiners (IAC&ME) has over 80 years of experience in the presentation of educational seminars for the purpose of assisting Coroners and Medical Examiners and other forensic specialists in the performance of their duties. This commitment is enshrined in the Association's mission statement, "The International Association of Coroners & Medical Examiners is committed to advancing the accurate determination of the cause and the manner of death through the utilization of science, medicine and the law." This training symposium will bring together leaders in medicolegal death investigations to one location for training and education. This Annual Training Symposium will be a valuable opportunity to network with Coroners, Medical Examiners, Deputy Medical Examiners and their staff. This is an excellent opportunity to interface with other professionals like yourself.

ARE YOU
READY FOR
ACCREDITATION?

— ACCREDITATION — W O R K S H O P

Sunday, July 23, 2017

9:00 am-3:00 pm

Presented by Steve Clark, PhD

Registered Attendee: Complimentary
Non-Registered Attendee: \$100

On January 30, 2015, the Department of Justice's National Commission on Forensic Science (NCFS) published a recommendation that all Medicolegal offices become accredited by the end of the year 2020.

ARE YOU READY?

This class will give you an in-depth view on the IAC&ME's accreditation process to aid you in preparing to become accredited or to become an auditor.

Steve Clark, PhD
President
Occupational Research and
Assessment
Big Rapids, MI

Dr. Clark is a nationally recognized occupational standards, assessment and curriculum developer, who has worked with various private and public sector agencies for over twenty-five years. He has directed national projects for both the Centers for Disease Control (CDC) and the National Institute of Justice (NIJ). Most notably the CDC's National Sudden Infant Death Investigation Project and the NIJ's National Death Scene Guidelines Project and is the former chair of the NIJ's Scientific Working Group subcommittee on Death Scene Investigation and former member of the

National Forensic Science Commission. He serves as the Research and Development Director for the National Association of Medical Examiners (NAME), where he manages and trains inspectors for NAME's national accreditation program. Dr. Clark serves as an accreditation consultant to the International Association of Coroners & Medical Examiners (IAC&ME), the certification and testing director for the: American Board of Medicolegal Death Investigation (ABMDI), the Board of Forensic Document Examiners (BFDE) and the American Board of Forensic Odontologists (ABFO). In addition, he serves as the national system administrator for NamUs.gov, and his company ORAINC created and operates the largest integrated web-based ME/C operations management software - mdilog.com.
