DEPUTY CORONER 1

The Charleston County Coroner's Office is accredited by the International Association of Coroners & Medical Examiners (IACME)

Application packet will be accepted until July 15, 2019

REQUIREMENTS

The principal function of this position is to investigate deaths including those that are violent, suspicious, unexpected and unexplained and others as defined by law. As part of this investigation, the deputy will be responsible for identifying the decedent and make notification to next-of-kin. The employee also functions as part of a disaster preparedness team and thus must remain in the county in time of pending disaster.

Anyone seeking the position should be able to walk, crawl, stoop, bend and lift a reasonable amount of weight and be cleared for hire in keeping with Charleston County hiring policy. They must also have a valid driver's

license and be able to safely operate a county owned vehicle. Additionally, this position requires working a rotating call schedule to include nights, weekends and holidays.

Those given preferential consideration for the position; include those with prior medicolegal death investigation experience, Diplomat or Fellow status with the American Board of Medicolegal Death Investigators (ABMDI), other investigative experience and those with formal nursing or law enforcement education.

Those interested must complete an extensive application packet, which will include permission for a background check, both criminal and financial, as well as a driving record. Following review of the application packet, applicants may be contacted for an interview followed by a polygraph examination and drug screen before further consideration.

BENEFITS

Currently Deputy Coroner 1 annual salary is \$52,582.40 per year and includes access to county benefits to include health and dental insurance, state law enforcement pension, 401K, paid county holidays, cumulative sick time and annual leave.
